Please help us better understand the user priorities for Grids and eScience!

1. What type of organization are you from (check box)

    University/Academic   Industry   Government lab

2.   Do you install your own Grid middleware or do you use a common platform? (check box)

    University/Academic   Industry   Government lab

    Install own   Use departmental resources   Use university/site-wide

    Use national infrastructure (TeraGrid, cross-administrative domain collaborative setup, etc)

3. If you are currently using Globus, which pieces are you using today (check box)

• Core (C/Java/Python)	pre-ws gt3 gt4	using, version unknown
• Delegation service	pre-ws gt3 gt4	using, version unknown
• Grid Security Infrastructure (GSI)	pre-ws gt3 gt4	using, version unknown
• GRAM	pre-ws gt3 gt4	using, version unknown
• GridFTP	pre-ws gt3 gt4	using, version unknown
• Monitoring and Discovery System (MDS)	pre-ws gt3 gt4	using, version unknown
• MyProxy	pre-ws gt3 gt4	using, version unknown
• OGSA-DAI	pre-ws gt3 gt4	using, version unknown
• Reliable File Transfer Service (RFT)	pre-ws gt3 gt4	using, version unknown
• Replica Location Service (RLS)	pre-ws gt3 gt4	using, version unknown
• Virtual Data Services (Chimera, Pegasus)	pre-ws gt3 gt4	using, version unknown

4. If you're not using Globus, or use additional tools today, what are they in the following areas:

- Web Service development

- Security

- Job Execution

- Data Management

- Monitoring or Troubleshooting

- Other

5. What tool would you like to have available as part of Globus that isn't there yet? What additional functionality do you think you will need in the next 12 months? (use back if you need more space)

6. If you would like someone to contact you, visit your group, or work with your application to better understand the functionality available through Globus, please enter your contact information here (name and email) or contact us at outreach@globus.org.
